

SYNTHETIC UI FIXTURE - NOT AN ACTUAL LIBRARY PLAN

Tuesday room-use briefing - draft 2

SUMMARY

Offer the quiet room and hall from 14:00 to 16:00, with a combined capacity of 48. Offer the workshop separately from 15:00 to 17:00. The workshop should not appear in the simultaneous 14:00 capacity total; publication still requires the coordinator to release the briefing.

ROOM SCHEDULE

Quiet: 14:00-16:00, 8 places. Workshop: 14:00-16:00, 20 places. Hall: 14:00-16:00, 40 places.

BOOKING AND PUBLICATION NOTES

Retain the dated occupancy source and room-use policy with this brief. Capacity figures describe people, not bookings. A release decision must inspect the complete schedule and unresolved constraints; viewing this fixture cannot publish, reserve, or approve anything.

No reservation, public post, approval or model execution has occurred.
