

SYNTHETIC UI FIXTURE - NOT AN ACTUAL LIBRARY PLAN

Tuesday room-use briefing - draft 2

SUMMARY

The 14:00-16:00 group comprises the quiet room and hall, providing 48 places in total. The workshop first becomes ready at 15:00 after its recorded booking and 30-minute setup period, so its 20 places belong to a separate 15:00-17:00 option. These are proposed windows, not confirmed reservations.

ROOM SCHEDULE

Quiet: 14:00-16:00, 8 places. Workshop: 15:00-17:00, 20 places. Hall: 14:00-16:00, 40 places.

BOOKING AND PUBLICATION NOTES

Retain the dated occupancy source and room-use policy with this brief. Capacity figures describe people, not bookings. A release decision must inspect the complete schedule and unresolved constraints; viewing this fixture cannot publish, reserve, or approve anything.

No reservation, public post, approval or model execution has occurred.
