

SYNTHETIC UI FIXTURE - NOT AN ACTUAL LIBRARY PLAN

Thursday room-use briefing - draft 2

SUMMARY

Thursday offers the quiet room, workshop and hall together from 14:00 to 16:00, providing a combined capacity of 68. The workshop setup finishes before that window begins. The hall closes at 16:00, so later alternatives must not silently extend its session. Publication remains subject to coordinator release.

ROOM SCHEDULE

Quiet: 14:00-16:00, 8 places. Workshop: 14:00-16:00, 20 places. Hall: 14:00-16:00, 40 places.

BOOKING AND PUBLICATION NOTES

Retain the dated occupancy source and room-use policy with this brief. Capacity figures describe people, not bookings. A release decision must inspect the complete schedule and unresolved constraints; viewing this fixture cannot publish, reserve, or approve anything.

No reservation, public post, approval or model execution has occurred.
