

SYNTHETIC UI FIXTURE - NOT AN ACTUAL LIBRARY PLAN

Thursday room-use briefing - draft 1

SUMMARY

Draft awaiting a full brief check. All three rooms have a feasible common 14:00-16:00 window on Thursday, for a combined capacity of 68. The workshop booking ends at 13:30 and its 30-minute setup finishes by 14:00. The hall closes at 16:00; the complete two-hour session fits exactly and must not be extended without a new source record.

ROOM SCHEDULE

Quiet: 14:00-16:00, 8 places. Workshop: 14:00-16:00, 20 places. Hall: 14:00-16:00, 40 places.

BOOKING AND PUBLICATION NOTES

Retain the dated occupancy source and room-use policy with this brief. Capacity figures describe people, not bookings. A release decision must inspect the complete schedule and unresolved constraints; viewing this fixture cannot publish, reserve, or approve anything.

No reservation, public post, approval or model execution has occurred.
